Dear Zero X And team,

It has come to our attention that you intend to breach our agreed-upon exclusivity as indicated in the Publishing Agreement dated January 26, 2024, by migrating your game, “Ragnarok: Monster World,” onto another blockchain, CROSS. We refer to your statements from:

- Our Google Meet call on February 13, 2025 with Jin Kang (Chief Strategy Officer, 0x&), Juneyoung Jeon (COO, 0x&), and Goeun Choe (CMO, 0x&);
- The email from Jin Kang to SkyMavis (which includes the Board of 0x&) on February 18, 2025; and
- The official X and Medium posts from the CROSS protocol noting that Ragnarok: Monster World “[is] set to launch on the CROSS protocol.” (reference)

These all clearly communicate the decision to migrate to CROSS in breach of the Publishing Agreement.

We are very disappointed and frustrated with your decision as well as the poor and ineffective way it was communicated to us.

Breaking exclusivity is a material breach that requires you to repay us the $250,000 USD investment that we paid to you under the Publishing Agreement and related Subscription Agreement, dated January 26, 2024. You have indicated that you have come to an agreement with Henry Chang (a.k.a. Jang Hyun-guk), the CEO of the company known as Nexus, and the CROSS Protocol team, where they will pay you $1,000,000 USD to migrate your game “Ragnarok: Monster World” and to have your primary token $ZENY have its Token Generating Event on the CROSS blockchain instead of the Ronin blockchain in breach of your exclusivity obligations under the Publishing Agreement. Accordingly, we are entitled to priority repayment and fully expect to be made whole, whether directly from your available capital reserves or from the proceeds of your deal with Nexus and the CROSS Protocol.

We may be more amenable to the continuation of our professional relationship if you are able to promptly provide us with this repayment. If there continues to be bad faith acts or omissions on your part, we will be forced to take legal action and also publicly indicate the breakdown of our collaboration. We reserve the right to pursue additional remedies available through law and legal process to recover any and all damages or penalties.

Regardless of whether your transaction with the team behind Cross moves forward, the terms of the Publishing Agreement and Subscription Agreement entitles us to full recovery of our initial $250,000 investment and requires you to pay back this amount, so please prepare your liquidity priorities accordingly.

We look forward to hearing from you soon.

Sincerely yours,

Immanuel Cruz

안녕하세요 변호사님, 잘 지내셨는지요?

변호사님의 검토와 의견이 필요한 긴급한 이슈가 있어 급하게 이메일 드립니다.

주지하시는 바와 같이, 저희는 그라비티사의 라그나로크 IP를 라이선싱한 web3 게임 Ragnarok: Monster World를 Sky Mavis사의 Ronin 메인넷에 독점적으로 런칭하여 운영해 왔습니다. 그러나 최근 넥써쓰(구 액션스퀘어)에서 새롭게 런칭하는 CROSS 메인넷에도 게임을 추가로 출시하고자 하여, Sky Mavis와의 독점 계약 해지를 논의해 왔습니다.

첨부한 Sky Mavis와의 Publishing Agreement에 따르면, 독점 계약을 해지할 경우 Sky Mavis가 제공한 $25만불의 투자금을 반환해야 하는 조건이 포함되어 있습니다. 이에 대해서는 저희도 충분히 인지하고 있으며, 해당 금액을 넥써쓰의 구주 인수 형태로 반환할 계획입니다.

image.png

그러나, Sky Mavis 측에서 최근 매우 공격적인 이메일을 보내왔습니다. 특히, 저희가 언급하지도 않은 넥써쓰가 저희에게 CROSS 온보딩 비용으로 $100만불을 지급한다는 내용을 포함하여, 투자금 $25만불 반환을 요구하고 있습니다. (이메일 내 노란색 표시된 부분 참고)

저희는 투자금 $25만불 반환을 진행할 예정이지만, Sky Mavis 측이 혹시 추가로 $100만불까지 요구하려는 의도가 있는지 명확하게 파악하고자 합니다.

제 해석으로는, Sky Mavis 측이 우리가 보유한 자금이나 넥써쓰에서 받는 $100만불 중 어떤 방식으로든 자신들의 투자금을 반환하라는 의미로 이해되는데, 변호사님께서도 같은 해석을 하시는지 확인 부탁드립니다.

본 건에 대한 변호사님의 의견을 듣고 싶습니다. 제가 카카오톡으로도 연락드리겠습니다.

감사합니다.

안녕하세요 크리스님
법무법인 이후의 김재욱입니다.

일단 해당 메일 문구만 봤을 때에는 $25만 반환의무를 부담함을 지적하면서,

$100만을 넥써쓰로부터 받을 것이라는 소식을 접하였으니, 자기자본이든, 해당 거래를 통하여든 지급하도록 하라

정도의 취지로 보입니다.

(메일 후문에서도 언급되어 있듯이, 기타 손해배상도 가능할 것으로 보이는데, 일단은 $25만만 주면 더 묻고 따지진 않겠단 취지)

좀 더 구체적으로 의견을 드리자면,

1) 현재 공유하여 주신 퍼블리싱 계약 뿐만 아니라 Sky Marvis 와의 Subscription 계약도 확인이 필요할 것 같습니다.

2) 넥써쓰가 Zero X를 인수할 생각이고, 이 때 Sky Marvis 가 구주 매수할 계획이 있는게 맞는지요?

넥써쓰와의 거래에 대하여 대략적인 그림도 알려주시면 감사하겠습니다.

내용 확인해보시고 카톡 등 편한 방법으로 연락 주십시오.

감사합니다.

Hi Immanuel,

First of all, we sincerely regret that this situation has occurred. In accordance with the contract, we will, of course, proceed with the return of the $250K. However, as we are still in discussions with the CROSS team regarding the deal, we need to check with them on the timing and method of the repayment. Nevertheless, we will make it a priority to return your investment as soon as possible. If you have a preferred method of repayment, please let us know. Once again, we sincerely apologize.

안녕하세요 안주형님,

유선상으로 말씀드렸던 바와 같이, Sky Mavis로부터 수령한 금번 라그몬 게임의 독점권 해지와 관련하여 투자금 반환을 강하게 요구하는 이메일을 참고로 공유드립니다.

현재 Sky Mavis 측은 투자금의 원금 회수를 강하게 주장하고 있는 상황이므로, USD 기준으로 구주 거래를 통해 반환을 진행하고 마무리하는 방향이 바람직할 것으로 판단됩니다.

또한 한 가지 덧붙이자면, 아래 이메일에서 Sky Mavis 측이 언급한 "저희가 넥써쓰로부터 $1M의 온보딩 금액을 받았다"는 내용은 사실이 아니며, 저희는 해당 내용을 어떠한 방식으로도 언급한 적이 없습니다.

내용 확인 부탁드리며, 이와 관련하여 추가로 궁금하신 점 있으시면 언제든지 편하게 문의 주세요.

감사합니다.

Hi Immanuel,

Over the past few months, we've been in continuous discussions with the Cross team regarding the deal. I apologize for the delay, and I appreciate your patience throughout the process. We've completed all necessary due diligence and verifications as of last week.
While there may be some aspects that feel less than ideal, we've done our utmost to negotiate terms that best protect our shareholders under the current circumstances. As you know, our situation has been quite challenging, and we've worked hard to avoid the worst-case scenario of company bankruptcy.
Although we also explored options involving a cash return, it was ultimately not feasible given the structure of this deal. As a result, we've finalized the agreement under the following terms, which we believe to be the best possible outcome given the circumstances:

- Nexus will acquire Sky Mavis's shares in Zero x And for $250K.
- Sky Mavis will use the net proceeds (after tax) from the share sale to purchase Nexus shares through a third-party allotment.
- The Nexus shares purchased will be subject to a one-year lock-up period.
- The next steps will proceed upon your agreement to the attached "Commitment Agreement."
- Nexus is listed on the Kosdaq. We will provide detailed guidance on how to open an account and acquire the shares accordingly.
https://finance.naver.com/item/main.nhn?code=205500

Please review the attached Commitment Agreement and feel free to reach out if you have any questions or concerns.
I'm truly sorry we weren't able to deliver a more favorable outcome, but we believe this is the most viable path forward.

Best regards,

Jin

Dear Jin and the Zero X And team,

We have received your response and proposal for a stock swap, and we respectfully decline the offer. We are entitled to $250,000 USD from you due to your breach of exclusivity with us, and we do not accept the value of our shares for a stock swap with Nexus as sufficient to satisfy our claims for breach.

We believe an acceptable proposal should be:

1. You pay us the $250,000 USD for your breach of exclusivity; and
2. We sell our shares of Zero X And to Nexus with a proper valuation of our shares.

We can still exercise our legal rights to demand payment for your breach, but in light of our past collaboration, we are sympathetic to your challenging circumstances and can accept selling our Zero X And shares to Nexus for $250,000 USD; *provided,* however, that we will ***not*** be obligated to use the net proceeds to purchase any Nexus shares. We do not intend to have any dealings with Nexus, and we hope to end our professional relationship with you in a clean-cut manner.

Please prepare an updated Stock Sale Agreement accordingly, and we look forward to your response.

Regards,

Hi Immanuel,

First of all, thank you for your prompt response.
We've been continuously exploring ways to return the $250K in cash, but unfortunately, it is currently not feasible.
The same terms have been proposed to all shareholders of Zero X And, and if the deal is not accepted, we cannot guarantee when an exit opportunity may become available.
According to the agreement, there is room for network expansion through mutual discussion. For this reason, we believe this situation does not constitute a direct breach of contract. That said, since you did not agree to a multi-network approach, we are doing our best to return your original investment in a fair and transparent manner.

It's important to note that the Zero X And team will not gain any financial benefit from this deal. Our sole objective is to protect our investors and ensure that, at the very least, their principal investment is preserved.
Please understand that this is not an M&A, but rather a secondary share transaction. Given our current financial liquidity, it is simply not possible to return the $250K in cash at this time.
If you decide not to participate in the deal, we are open to exploring alternative methods of repayment, such as allocating a portion of our future revenue on a monthly basis. However, since future revenue cannot be guaranteed, we believe participating in this deal now may be the more secure option.

Also, regarding a proposal you had previously made: we are moving forward with issuing 50% of the Zeny token on Ronin and 50% on Nexus. This approach will allow users to continue playing ROMW on Ronin. While we may not be able to provide large-scale liquidity at the beginning, we are preparing to list on Katana soon. We'd love to discuss this with you further as well. It's important to us to maintain a strong and positive relationship with Ronin.

We would appreciate it if you could kindly review and consider participating in this deal. We will need confirmation of the Commitment Agreement within this week.
Most other investors have already provided verbal agreement, so we expect to proceed accordingly. We sincerely hope Sky Mavis will also accept this deal, even if it may feel somewhat inconvenient at this moment.
We need to send the Commitment Agreement to all investors via online signature today, and we'll make sure to guide you through the next steps in detail if you are ok with this deal.
Thanks,

Best Regards,

Hi Immanuel,
FYI, attached is the Commitment Agreement regarding the sale of the shares in ZERO X AND PTE. LTD. to Nexus Co., Ltd. and the subsequent reinvestment into Nexus through a third-party allotment. I've just sent it to Aleksander via Dropbox Sign email for his review and e-signature.

If you have any questions regarding the agreement or the process, feel free to let us know.

For your reference, below is a summary of the structure and timeline for the purchase of NEXUS shares using the proceeds from the sale of ZERO X AND shares:

[Purchase of NEXUS Shares Using Proceeds from the Sale of ZERO X AND Shares by Existing Shareholders]

1. Timing of NEXUS Share Purchase

- The NEXUS Board resolution date will be set once the sale of ZERO X AND shares is completed and the shareholder procedures related to the third-party allotment are finalized.
- As required by the Commercial Act, payment for the NEXUS shares must be made at least one week after the Board resolution date.

2. NEXUS Share Purchase Amount

- The full remaining balance after tax deductions from the sale of your ZERO X AND shares will be reinvested into NEXUS.

3. Lock-Up Period

- The newly issued NEXUS shares will be subject to a 1-year lock-up period (i.e., they cannot be sold for one year).

4. NEXUS Share Issuance Price (Per Share)
The issuance price will be the lower of the following two values, calculated prior to the Board resolution date:

- **Option 1:** The average of:
  - 1-month volume-weighted average price (VWAP)
  - 1-week VWAP
  - Most recent day's VWAP
    → Formula: (1-month + 1-week + most recent day) ÷ 3
- **Option 2:** Most recent day's VWAP

Hi Immanuel,

Apologies again for the repeated messages. I completely understand your position.
I wanted to update you on the current status: all other investors have now agreed to the comment agreement, and Skymavis is the only one remaining. While some investors are also not fully satisfied with the terms, they've accepted that this is the only realistic way to recover their investment, and have decided to move forward. We're planning to hold a board meeting next week to finalize the matter, and we would really appreciate your response before then. Please refer to the image below.

image.png

To be transparent, the reason we've been repeatedly following up is that we simply don't have the cash available to make the $250K repayment at this time — regardless of Nexus's position. If cash repayment is still what you prefer, we might be able to repay gradually as sales come in, but that's uncertain and hard to rely on, so I'm cautious to propose it. Even if you decide not to participate in the comment agreement, you'll still retain your shares in Zero x And. However, we're concerned about the lack of a clear path to exit under that scenario.

Nexus is hoping to work with Skymavis, and we also believe this collaboration could help bring more Korean users to Ronin via multi-chain with Cross. ROMW will continue to operate on Ronin with TGE on Ronin network, so we see long-term value in staying aligned. It would be great to have you involved in this deal, even if the terms aren't perfect. If you are ok, I would like to explain the details and answer any questions via the online call.

Thanks again, and I really look forward to hearing your thoughts.

Hi Immanuel,

I understand that the deal with Nexus is a difficult decision, and I believe the extended consideration reflects how seriously you are considering it. We truly appreciate the time and thought you are putting into this. From our perspective, we assume your primary concern may be around the stock purchase of Nexus, especially given the one-year lock-up period and the potential risk of loss on the principal. With that in mind, we would like to make the following proposal to help address those concerns:

1. Revenue Share from ROMW Cross Version'
- While it would be ideal if Nexus stock appreciates after one year, the future is always uncertain.
- In the event that it doesn't, we would like to offer a revenue share from the Cross version of ROMW to offset the potential downside. If Nexus stock does perform well and you receive additional revenue from the Cross version, it would become a best-case scenario.

2. Support for Nexus Stock Purchase and Sale
- We understand there may be administrative challenges when a foreign company acquires and sells Korean stocks
- To minimize any inconvenience, **we are fully prepared to support all administrative procedures involved.**

3. Potential Launch of ROMW: Origin on Ronin
- If the tokenomics we originally envisioned for ROMW performs well on Cross, we believe there's a strong opportunity to launch a new game like "ROMW: Origin" version on Ronin, similar to Axie: Origin.
- We could migrate existing NFT holders into this new version, which would allow us to reignite interest and engagement from the original user base.
- This concept is not merely our own, but rather, it is a request that has been put forward by the community. We will work to make it a reality.

4. Expectation for Nexus shares
- We are very optimistic about the outlook of Nexus stock.
- The Cross team has successfully launched its mainnet and is preparing to open its wallet and list the token on a tier 1 exchange. The private sales are also doing well.
- Henry Chang himself has invested personal funds into the token, showing his strong commitment to the project. (https://x.com/henrychang10000/status/1902097796674768966)
- Moreover, several major game titles are scheduled to follow ROMW.

Although our network has expanded to Cross due to our current circumstances, as previously mentioned, we remain committed to serving our users on Ronin.
We plan to launch our token there and provide engaging content to the Ronin community. Nexus is also eager to collaborate with you, and we hope this deal can lead to a mutually beneficial partnership. We genuinely value our relationship with you and want to continue building it over the long term. By participating in this deal, we hope it opens the door for us to explore deeper collaboration and aligned goals moving forward.

Please let us know your opinion, and we're available to discuss this anytime soon.
Best Regards,

Jin,

Hi Aleksander,

Thanks for your quick response.
First of all, I sincerely apologize once again for the situation. We truly understand that this may not be ideal for you.
As we mentioned in our previous meeting, our team currently does not have available cash on hand. Nexus is offering to sell secondary shares, but there is no obligation for Nexus to purchase 100% of them. The terms of the proposed secondary share transaction were set by Nexus, not by us.
If this deal is not accepted, we would need to provide cashback through future revenue generated from Cross ver. or our next titles, as our team does not have sufficient cash at this time. We will do our best to minimize the repayment period, but unfortunately, we cannot provide a definitive timeline at this stage.
If you have any conditions or suggestions you'd like to propose, we are going to discuss it with the Cross team.
Thanks,

Jin,

Thanks for your quick reply.
We genuinely want to return the funds, but unfortunately, we currently do not have the available cash.
If necessary, we can provide our financial statements for your review. At this point, the only option seems to be returning the funds through monthly revenue generated from the Cross version. While the return period may vary depending on the revenue, if you're comfortable with this approach, we will work on a return plan and do our best to fulfill it diligently.

As we understand, multi-chain deployment is allowed under mutual agreement. We have also discussed with the Ronin team about issuing on both the Ronin network and another chain. However, due to our extremely difficult financial situation, we had no choice but to make this decision. We would very much like to continue discussing possible solutions with you. We sincerely ask for a little more time, and we are committed to finding a way to resolve this together.

안녕하세요 안주형 과장님, 제로엑스앤드 전준영 입니다.

지난 주에 스카이마비스 COO와 커뮤니케이션 진행한 것들을 공유 드렸습니다. 그리고나서 실무진과 소통하고 추가적으로 논의를 해봤는데
스카이마비스쪽에서는 너무 완강하게 답변을 해오고 있습니다.

메일 메일을 보시면 아시겠지만 저희가 할 수 있는 수단과 방법을 가리지 않고 계속 요청했으나 상대방은 동일한 스탠스 입니다.
실무자와 별도의 채널을 통해서 확인했을때 아래 3가지 이유로 거부 했습니다.

- 경쟁사의 주식을 사는 행위에 대한 반감 (ZX : -)
- 넥써쓰의 1년 후 주가 예측 불가 (ZX : 매출 쉐어로 보존하겠다)
- 싱가포르 법인이 국내 증권계좌 개설의 불편함 (답변 : ZX에서 다 해주겠다)

그리고 마지막 메일(투자금 반환에 대한) 이후에 기습적으로 어제 X에 저희팀을 대상으로 일부 거짓된 정보(비밀리에 계약, NFT거래 중지)를 포함해서
글을 게시했습니다.

https://x.com/Psycheout86/status/1916382602329555274

하지만 현재 로닌은 Permissionless 체인이기에 그런 행동을 스스로 할 수 없기에 약 3시간 후에 프로젝트 인증마크만을 제거한다고 재발표를 하였습니다.

https://x.com/Psycheout86/status/1916496438067864037

현재 상황에 대해서 저희가 더이상 설득 할 수 있는 협상력이나 의사결정권이 없어서 추가적인 대화를 이어가는데 어려움이 있습니다. 우선 빠른 공유가 필요하다고
판단되어 메일 원문 + 참고자료 보내 드리며, 오후 중에 시간 가능하시면 콜을 통해서 해당 건에 대해서 논의가 필요한 상황입니다.

감사합니다.

Hi Aleksander,

We just had a meeting with the Cross team and have found a way to arrange the repayment of the $250K.
We are now able to return the $250K in cash. As we previously discussed, we hope that by repaying the $250K, we can continue our partnership with Ronin.

Specifically, once we complete the cash repayment:
- No further issues will be raised related to this matter
- There will be no disruption to the service,
- Our partnership status will be restored (Reopening the Slack channel, restoring the verification badge etc.)

As we have consistently mentioned, we would like to maintain our relationship with you and are eager to continue providing ROMW services on Ronin.
Please let us know if you are ok with this so we can move forward quickly repayment.
Sorry to your team and thank you.

Hi Aleksander,

Thank you again for your positive response.
We will ensure the repayment process proceeds quickly and will keep you updated on the next steps.
For the detailed procedures, I will work closely with Phung.

We will coordinate with Nexus to complete the purchase of the shares you currently hold in our company by the end of May.
You only need to participate in the secondary share sale process and are not required to participate in Nexus's new share subscription.
To proceed with this deal, it is necessary to first convert your preferred shares into common shares. Accordingly, we will require your signature on the shareholder resolution for this conversion. Our CFO Chris will send you the shareholder resolution document shortly, and we kindly request your prompt signature to avoid any delays.

Thank you once again, and we look forward to completing this process smoothly together.
Best regards,

Hi Phung (and Aleksander),

Thank you for providing the payment details.

To update you on the process:

- The cash repayment will be completed through a share purchase agreement between Nexus and Sky Mavis, as Jin explained in his email below. We are working to finalize this by the end of May. We'll obtain a draft stock purchase agreement from Nexus shortly and send it to you for your review and any feedback.
- We are currently in the process of converting the preference shares into ordinary shares at a conversion ratio of 1:20.684. This allows the preference shareholder to recover their original investment amount from Nexus.
- We have sent the shareholder approval document for this conversion to Aleksander via Dropbox Sign email. It would be greatly appreciated if he could review and e-sign it at his earliest convenience to avoid any delays.

We will get back to you shortly with the draft stock purchase agreement and any related documents for your review and feedback.

Please let me know if you have any questions in the meantime.

Best regards,
Chris

Dear Chris and Jin,

By way of introduction, my name is Phoebe, and I'm the Associate General Counsel here at Sky Mavis. From the latest messages, I fear we have had a severe communication breakdown regarding the breach of exclusivity fine and payout.

Per your correspondence on April 28, you had a meeting with Cross' team and were able to come up with the cash funds for payment of the breach of exclusivity fine, and we provided you with our respective banking information thereof. However, it now seems that we have returned to the same previous loop of getting $250,000 USD by selling our shares to Nexus.

As Aleks and Immanuel have already clearly indicated on multiple occasions, the sale of our shares is **separate** from the $250K breach of exclusivity fine, and these two should be and are two separate issues and transactions. ***We cannot accept the payment from the sale of our shares as payment for the breach of exclusivity fine.***

We hope that this email will clarify any misunderstanding, and you and the Cross team will determine how to best promptly pay out the breach of exclusivity fine to us.

Regarding our shares, we will review these documents and discuss this with you separately after we receive payment for the fine.

We look forward to hearing from you with a satisfactory resolution.

Many thanks,
Phoebe
